Dear Reverend Gödöllei,

At its meeting on November 22, 2022, the session of Calvin Hungarian Presbyterian Church agreed to the following:

In all aspects of spiritual service, in participation in stewardship, various educational work with children, and in the multitude of mission activities connecting families to the church community, Calvin Hungarian Presbyterian Church in Calgary flourished between 2001 and 2005 under the leadership of Rev. Károly Gödöllei and his wife Éva Gödöllei.

We regret that they had to continue their pastoral work for many years while their lives were made difficult by criticism.

We regret that this all of this ultimately led to the dissolution of the pastoral tie

We consider it a sad legacy that our official church website also contained false information about them for the past 10 years.

In light of this, we pray to the Lord to heal all our wounds, to forgive us and restore our relationship.

Grace and peace,

Pat Kover,
Clerk of Session, Calvin Hungarian Presbyterian Church
